Ref. No.

Date. 16/05/2025

For the Recognition Certificate Update

The UP Board portal for the updation of the Recognition Certificate will open in July. We will submit the required application through the portal at that time. All necessary documents will be presented during the inspection process in front of the Inspection Committee as per the official guidelines.

For the Fire NOC

We have applied for the Fire NOC to the Fire Department, and the approval is expected soon. In the meantime, I have submitted the previous fire certificate and will present the newly updated certificate during the inspection. The application PDF has also been uploaded here along with other relevant documents, if any.
